

Subject: Idle Service Retirement Agreement

Concerning this service: Name: _____
Account #: _____
Location #: _____
Address: _____

I would like to take the following action:

Option 1: I don't own this land, but to the best of my knowledge, the landowner is:
_____ who's mailing address is: _____
_____.

Option 2: I do own this land, and I hereby authorize you to retire the service as I have no further use of it. *I understand retiring the service may very well include removal of transformer, meter loop, pole, wire, etc., all at DMEA expense. I also understand per DMEA Rules & Regulations, once a service is retired (abandoned) and the same property owner later desires service to be restored at the same or similar location, they must pay 100% of the new construction costs, in advance.*

Option 3: I do own this land and I wish to retain the service at the above location for future use. I understand that there may be a future fee for Idle Services that are not retired or put back into service, at this address:

Name: _____ Address: _____

Signed: _____ Date: _____

Comments: _____

Please return this form to:
DMEA, PO Box 910, Montrose CO
